Here is how the Just For Me Candle Program works:

Now that you have decided to use **Just For Me Candles** for your fundraiser, call me (Brenda), owner of **BAKE & Co. Fundraising**, at **1-800-535-2253**. I am a commissioned representative for this USA candle manufacturer in Texas. Your costs and profit remain the same regardless of whether you work directly with *Just For Me Candles* or with *BAKE & Co. Fundraising*. And, you will get the same friendly and dependable service.

You will receive everything you need to effectively run your fundraiser. The candles are sold by the members of your group for two to three, with all monies being collected at the time of sale. You will submit your final order to me, I will provide you with an invoice for payment, and upon receipt of your check or money order, your order will be shipped to your preferred location within 10 to 14 days

where someone can sign for the order and count cases to ensure it is complete. Your order will arrive already sorted by seller, so they can quickly take their order and deliver it to their customers. Whatever problem may occur, we fix it!

Consider adding one of our other programs along with your candle sale for even more retail sales and higher profit. Click on one of these suggested program links for more details in a printer-friendly format.
