What a great alternative to candy and a practical fundraising item for all seasons. **Safely** and easily light fireplaces, wood or pellet stoves, charcoal grills and campfires in a jiffy and eliminate the need for newspaper, kindling or smelly lighter fluids. Sell a box of 8 starters for \$12 and earn up to 50% profit (\$6.00) per box. You can also order disks in bulk to sell at special events, in campgrounds, or outdoor locations. Tag this sale with any of our other great programs for added profit. Great "guy" gift.

SuperCedar Firestarters™ are made of refined wax and cedar sawdust. They are lightweight, moisture-resistant, non-toxic and burn clean. This is a program that is **environmentally friendly and SAFE!**

Add these disks to the camping box, emergency supplies, or back-country essentials. Each disk has a 20 to 30-minute burn time with a twelve-inch flame. Disks can easily be broken into smaller pieces. A practical and affordable purchase that makes fundraising rewarding.

- ◆ Collect orders for gift boxes (a set of 8 disks)
- ◆ Sell gift boxes direct at special events
- ◆ Sell individually wrapped disks or use as a thank you for a charitable contributions. Add your own label to each disk to advertise your cause.

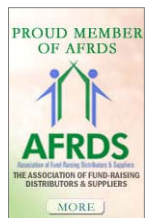

SuperCedar disks make great stocking stuffers and are favorites among campers and backyard chefs.

Twenty participants selling 18 boxes each will earn your group over \$1,500!

Packaged 8 individually wrapped disks per box, 9 boxes per master case. Suggested Retail is \$12 per box. Prices include freight on 4 Master Cases. Wholesale orders for resale only. Allow 2 weeks for delivery. No returns. Money-back guarantee on quality. **Made in Edmonds, Washington State, USA.**
