- You **earn 50% on 1000 bags, 45% on 500 bags, 40% on less.**

Use the four-page color brochure with order grid to collect prepaid orders for ten standard designs. See next page about "Custom Bags" with Your group Name & Logo to sell at special events or the school store.

Bags are made from unbleached cotton; each is durable, reusable, cold-water-washable, holds up to 40 pounds, measures 15" x 18" x 4" and will last for many years. At the suggested retail of \$10.00 your group can earn up to \$5 per bag. Your cost per bag includes shipping on 24+ bags. Orders ship within 5 days from order placement.

Did you know –

- Plastic bags kill over 100,000 birds, whales, seals & turtles per year,
- The U.S. uses 100 **billion** plastic bags annually, consuming about 12 million barrels of oil (a step toward reducing our oil dependency);
- A **million** plastic bags are used **every minute** worldwide; that's over 500 billion bags per year polluting our planet;
- Plastic makes up 80% of the volume of litter on land and 90% of floating litter in our oceans, and
- Plastic bags are NOT biodegradable and can take up to 5,000 years to decompose--eventually they break down into tiny toxic bits polluting our soil, rivers, lakes and oceans.
- **Here's a chance to celebrate EARTH DAY – or your favorite environmental event.**
